## PRESS RELEASE

01 February 2012

### **RiverBend Films Launches Capital Campaign for *Quantum Suicide of Sophie Miller***

YORK COUNTY, VIRGINIA. Today RiverBend Films launched a capital campaign to raise funds and awareness for its coming feature film *The Quantum Suicide of Sophie Miller*, set to begin principal photography in three weeks. Darrell Poe, the film's producer, will be the primary coordinator of the campaign. In addition to creating awareness and inciting preliminary interest in the film and its story, the producers hope to raise approximately \$8,000 in supporting funds to supplement capital provided by RiverBend Films. Through the sourcing website [www.IndieGoGo.com](http://www.IndieGoGo.com), interested supporters can pledge matching funds in amounts from five to five hundred dollars in exchange for promotional and marketing content, including DVDs, soundtrack copies, film posters, and exclusive film paraphernalia available only to cast and crew. All supporters will also receive public recognition on the IndieGoGo site, the film website, and the end credits of the completed film. This campaign will be the first of its kind undertaken by RiverBend Films, which has previously relied solely on profits from prior productions for capital, the necessity of additional financing an evident sign of the relatively sophisticated production values of this film as compared to other RiverBend Films' productions and the continued increase in complexity of projects that RiverBend Films chooses to undertake. To find-out more information and to participate in the campaign visit [www.savesophie.com](http://www.savesophie.com).

*The Quantum Suicide of Sophie Miller* is based on the award-winning stage play of the same name by Matthew Marcus and stars Alexia Poe as Sophie Miller, a role for which her performance on the stage earned multiple awards. Principal photography on *The Quantum Suicide of Sophie Miller* beings in three weeks and the film will be completed sometime in fall of 2012 with multiple film festival entries to follow.
